

# Personal Learning Device (PLD) Handover

Students' Briefing (23 Feb 2026)

“

DON'T JUDGE  
EACH DAY BY  
THE HARVEST  
YOU REAP BUT  
BY THE **SEEDS**  
THAT YOU  
PLANT.

- Robert Louis Stevenson

Our  
*Mission*

To nurture in Meridians inquiring minds and caring hearts for their pursuit of excellence.

Our  
*Vision*

Joyful Learners, Creative Thinkers, Compassionate Leaders.

# Personal Learning Device (PLD) Handover

You will be getting your device on

**13 March 2026 (Friday)**

**STAGE**

# Personal Learning Device (PLD) Handover

Before 13 March, complete SLS lessons (**Compulsory**):

1. Basic Module on AI and AI-enabled Features in SLS
2. File Management and Data Back-up

<https://go.gov.sg/8ile4xvx>

# Personal Learning Device (PLD) Handover

**Before 13 March, you must be able to access your iCON email account with your MIMS login credential**

<https://workspace.google.com/dashboard>

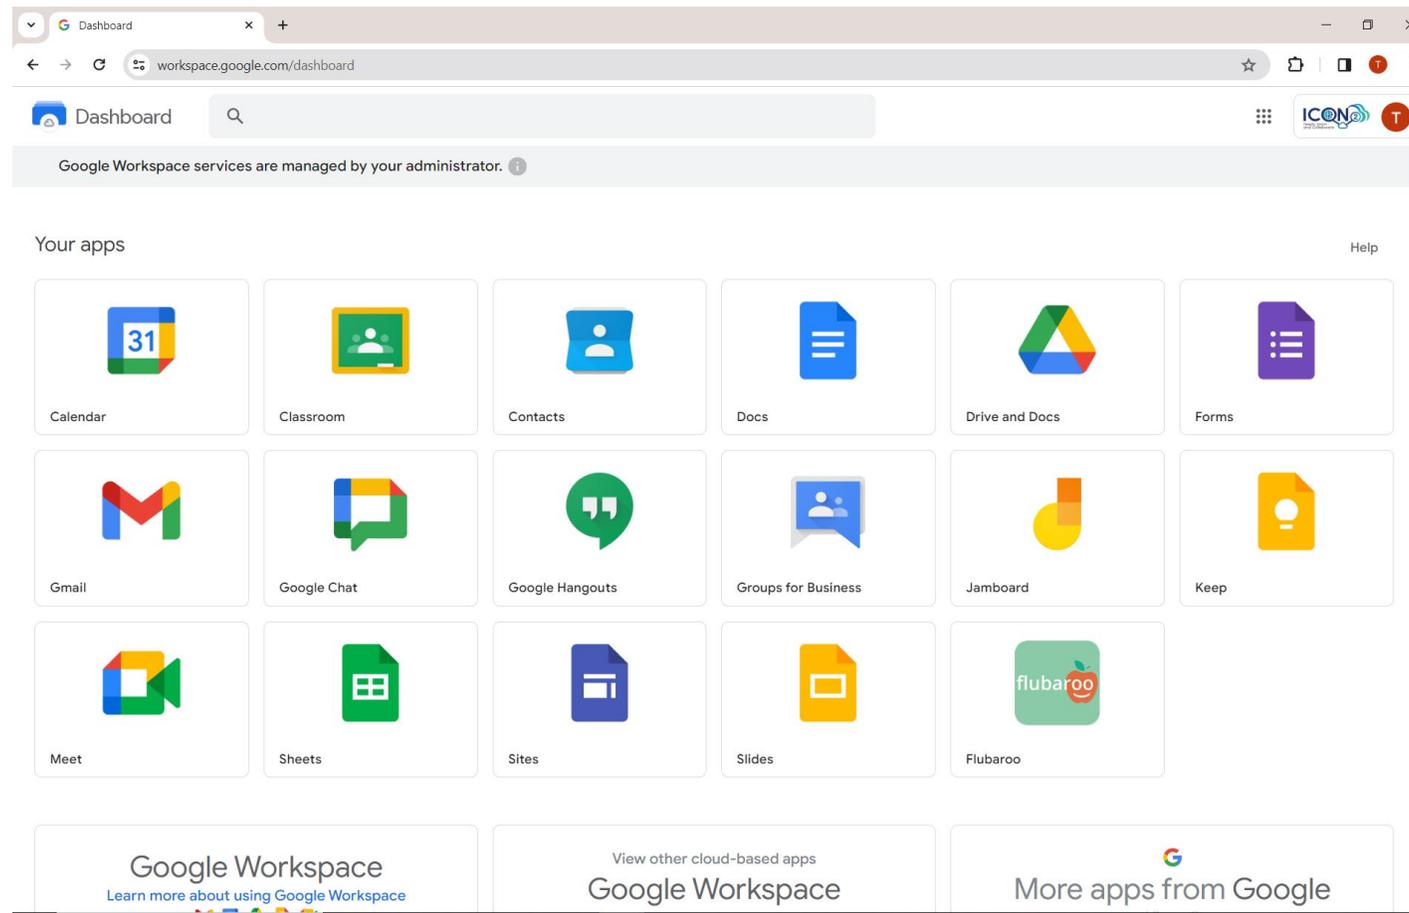

generic email address: *your\_full\_name@students.edu.sg*

(Login to your iCON email account and note down your password in your notebook or mobile phone)

# Personal Learning Device (PLD) Handover

<https://workspace.google.com/dashboard>

The screenshot shows a web browser window displaying the Google Workspace dashboard. The address bar shows the URL [workspace.google.com/dashboard](https://workspace.google.com/dashboard). The page header includes a search bar, a notification that "Google Workspace services are managed by your administrator," and a "Your apps" section. The "Your apps" section contains a grid of application icons: Calendar, Classroom, Contacts, Docs, Drive and Docs, Forms, Gmail, Google Chat, Google Hangouts, Groups for Business, Jamboard, Keep, Meet, Sheets, Sites, Slides, and Flubaroo. At the bottom, there are three footer tiles: "Google Workspace" with a link to learn more, "View other cloud-based apps Google Workspace", and "More apps from Google".

# Personal Learning Device (PLD) Handover

If you are **not able** to login to your iCON/MIMS account, please proceed to **Computer Lab 4 (Level 3)** **after school this week** and approach our ICT Staff for assistance.

# Personal Learning Device (PLD) Handover

You will need the following during the handover exercise:

**your EZ-Link card**

*(Photograph of yourself on the card should be visible)*

**a Pen**

**iCON/MIMS login credential**

(email address and password noted on your notebook or your mobile phone)

# What PLD will you be getting?

- Intel N150 processor, 8GB RAM, 64GB Storage, 12.2" Screen Size

The school will be using the **Acer Chromebook Spin R857TN** for teaching and learning.

**(Enhanced bundle includes 3 years warranty and insurance)**

Total cost of the enhanced bundle with GST: **\$588.60**

**Add-on: 4th Year Warranty & Insurance**

# Why do we choose this PLD for you?

The school chose this device because of:

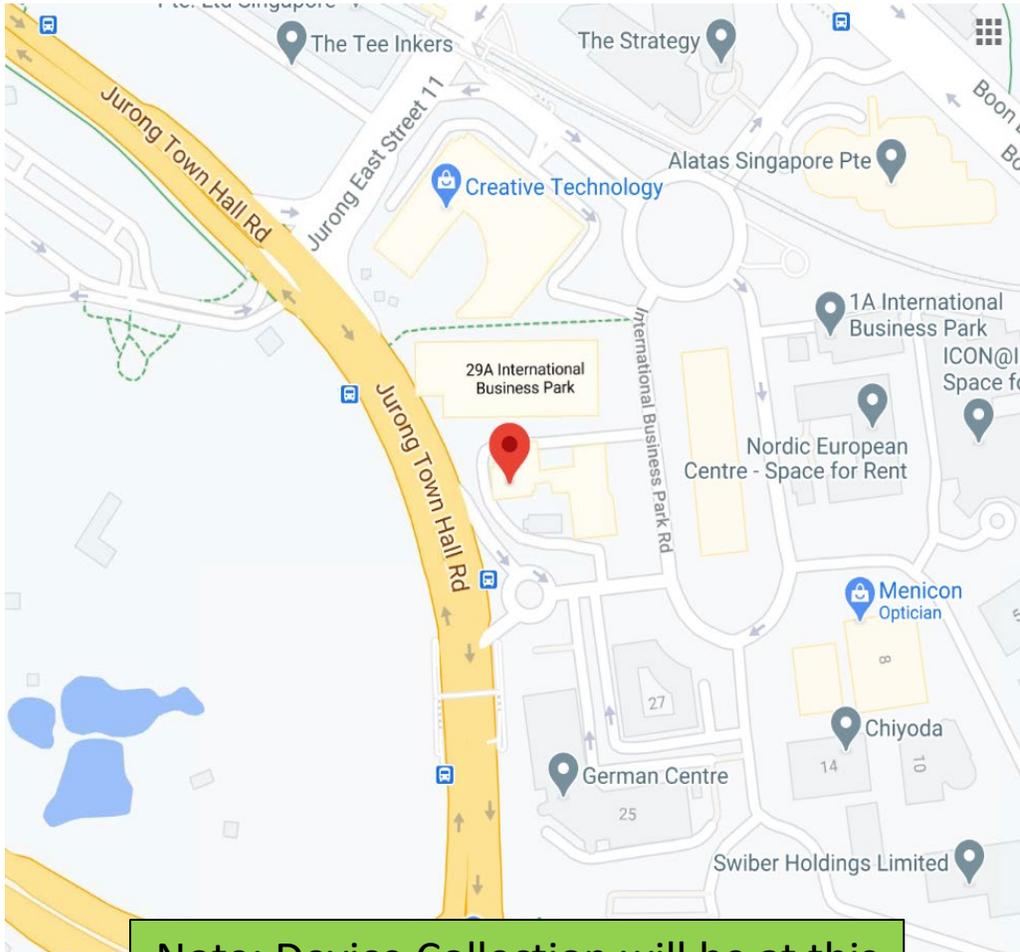

- Portability and Durability
- Teaching & Learning Affordances such as Touch Screen, Stylus.
- Up to 12 hours of battery life for all-day learning

acer

# Service Centre

# Insurance and Warranty

Insurance*	Warranty
<ul style="list-style-type: none"><li>• Fire</li><li>• Lightning</li><li>• Power Surges</li><li>• Accidental e.g water spillage, drop etc</li><li>• Theft due to forcible entry</li><li>• Robbery</li></ul> <p><b>* Accidental loss will not be covered by insurance.</b></p>	<p>2 repairs or 1 replacement claim (4-year insurance)</p>

# Insurance and Warranty

	Issues	Actions
1	Lost Device	<ol style="list-style-type: none"><li>1. Inform your form teacher</li><li>2. Make a police report</li></ol>
2	Device Repair	Hardware/software issue <ul style="list-style-type: none"><li>• Log a case to School ICT Team (Computer Lab 4)</li></ul>

➤ *The insurance coverage is only applicable to situations of damages and loss where the student has **taken precautions to safeguard the device.***

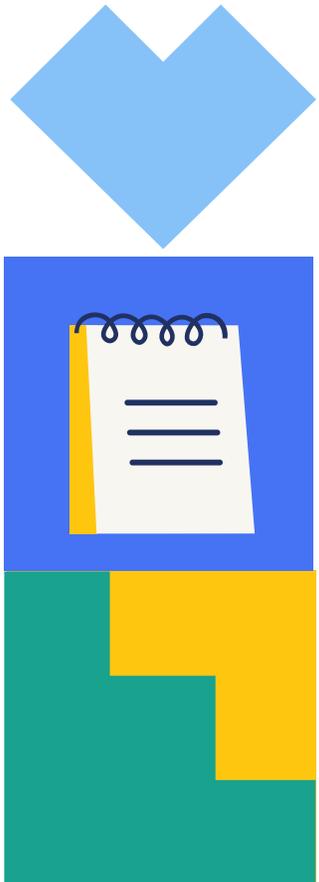

➤ Once insurance is claimed for a replacement device, the **insurance coverage will cease** and the replacement device will not be covered by insurance.

# The MOE Device Management Application (DMA)

# Creating a Safer Digital Learning Environment

- The MOE DMA helps to promote safe and responsible device use while allowing you to develop skills to navigate in an increasingly technology-driven world.
- There is a need to create a safer digital learning environment that supports both your well-being and your learning experience.

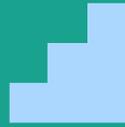

# The MOE DMA: The What and How

**What is the new DMA solution?**

**LightSpeed Systems® is the new DMA to manage Chromebook PLDs.**

**What does it consist?**

**It will have the same components to ensure that the PLDs can be used effectively for teaching and learning.**

**How secure is the new DMA**

**Stringent checks were done to ensure that the solution complies with MOE's security requirements.**

**How is my privacy safeguarded?**

**The DMA does not collect data to monitor your personal messages and track your location.**

# What does the MOE DMA do?

## During School Hours

MOE DMA will follow MOE/School settings for:

1. Web content filtering including social media sites, pornography, gambling, extremist and violence-related sites
2. Apps and programs installed for teaching and learning

# What does the MOE DMA do?

## After School Hours

- **After school, the DMA settings will continue by default. Restrictions to PLD usage time will also apply.**
- **However, your parents may have different preferences for after-school PLD use.**
- **Your parents can choose from three options – Options A, B or Default.**

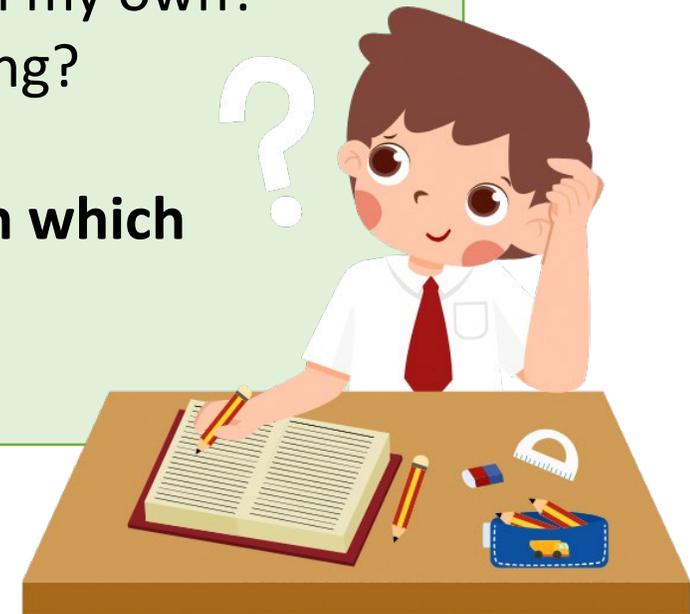

# Which After-School DMA Parent Option is the best for me?

## Some questions you should consider:

- How much time do I spend on my device?
- How well am I able to regulate my device usage on my own?
- Do I get easily distracted while doing online learning?

**Consider having a conversation with your parents on which setting is best suited for your learning**

# What are the Different After-School DMA Parent Options?

Default	Option A	Option B
<p data-bbox="257 505 833 668"><b>In-school DMA settings will continue after school hours</b></p> <p data-bbox="206 748 886 1148">For parents/guardians who want their child's/ward's use of the device to be restricted only to teaching and learning and prefer to leave it to the school to decide on DMA settings after school hours.</p>	<p data-bbox="945 505 1633 668"><b>DMA settings can be modified by Parents/Guardians after school hours</b></p> <p data-bbox="945 748 1633 1090">For parents/guardians who prefer to take charge of the level of restrictions for their child's/ward's use of the device after school hours regulated by the DMA.</p>	<p data-bbox="1753 505 2321 605"><b>DMA will be inactive* after school hours</b></p> <p data-bbox="1691 691 2379 911">For parents/guardians who do not want their child's/ward's use of the device after school hours to be regulated by the DMA at all.</p>

\*No data will be collected after school hours when the DMA is inactive.

The school will provide your parents/guardians with more information on exercising the options.

- Your parents/guardians can request to change their choice of After-school DMA Parent Option, which is the existing practice.

# DMA Parent Options

Timeline	Activity
<b>13 Mar 2026</b>	Engagement resources for your parents/guardians will be sent through a Parents Gateway (PG) notification
<b>20 Mar 2026</b>	Deadline for your parents to submit DMA Option form
<b>6 Apr 2026</b>	DMA Parent Option Activation
